Winter 2018 Environmental Learning Programs

Seattle's environmental learning centers offer programs at parks throughout the city. These programs are hands-on experiences employing games, props, and activities to enhance the learning adventure. They give people a positive experience outdoors and a sense of community and connection with our green spaces. Every quarter, new programs are offered based upon the seasons and the interests of the public. Pre-registration is required for all programs so please peruse the following offerings to find something that interests you and register today.

Please remember all children must be accompanied by an adult.

Please take note of the location of a particular program because there are many different options. The location is listed underneath the program title. If you need directions to a particular place, please contact one of the environmental learning centers for assistance.

Registration

See back page for details on registering online, over the phone or in person at one of Seattle's environmental learning centers

Nature at Night

Full Moon Salamander Walks

Camp Long

Ages: 8 and older **Fee:** \$10.00

It's a full moon. Will the salamanders be roaming the park looking for love? Let's find out! Bundle up with warm clothes and venture into the winter night with flashlights to search for salamanders searching for mates.

Be sure to dress for the weather and bring a flashlight if you have one.

Winter Nature Walks

Salamander Search

Camp Long

Ages: 4 and older **Fee:** \$5.00

Overcome those wintertime blues by bundling up and getting outside. Learn the importance of those dark, dank, wet places by searching under logs and in the ponds for those beautiful, mysterious creatures – the salamanders. There are at least three different types to find at Camp Long. Let's challenge ourselves to find all of them.

Great Blue Herons

Discovery Park

Ages: 8 and older **Fee:** \$5.00

Discover why these birds are called “Great”. Visit a large rookery close to the park. Explore your connection to this amazing bird and how their continued survival depends upon you. Wear your walking shoes as we walk as much as one mile. **Please bring binoculars if you have them.**

#172431 3/10/2018 Sat 10 a.m. – Noon

Green Day Walk

Camp Long

Ages: 8 and older **Free**

Because of St. Patrick’s Day, many people wear green today. Let’s stroll through the forest and check out all the green that nature is wearing in honor of Spring! While we are there, we can learn a bit about native plants from a Seattle Urban Nature Guide.

#172447 3/17/2018 Sat 1 – 3p.m.

Tot Treks

The following programs are an opportunity for the very young to explore outside in a safe environment and to share that experience with an adult that is important to them. Parents and others that share time with a toddler can learn tips and tricks for sharing the outdoors with a little one. These programs are also a great chance to make new friends. **Ages: 2 – 3 with an adult**

Puddles and Ponds

Camp Long

Adults, explore the wonders of nature with your toddlers. It's wintertime. The rainy season. Let's splash and kick and celebrate water. Wear clothes for getting wet.

#172449 1/20/2018 Sat 10:30 – 11:45am

Winter Wonderland

Discovery Park

Fee: \$5 per child, adults free

Adults – grow outside with your children! Hike through the woods using all of your senses to discover signs of winter.

#172435 1/27/2018 Sat 10:30 – 11:45am

Spring Fling

Camp Long

Adults, explore the wonders of nature with your toddlers. It's time to anticipate Spring. Let's hike through the park and search for signs.
